

May 4, 2020 Ludeman COVID-19 Status

Ludeman has tested all residents at the Ludeman Center for COVID-19. The testing is based on recommendations from the infectious disease physician who is consulting with the Divisions of Developmental Disabilities and Mental Health. This will enable Ludeman to continue the best possible precautionary, clinical and medical programming and supports for the people they serve. Ludeman will notify families of the testing process and results.

We received the following COVID-19 testing results information from the Ludeman Center this evening:

- * Ludeman Residents: 186 tested positive. 146 tested negative. 12 pending results.
- * Ludeman Staff: 69 tested positive.
- * 35 of 38 occupied Ludeman Homes have individuals that have been tested for COVID-19.

Staff Wellness checks are being conducted before reporting to their assignment.

Ludeman Supplies in Greatest Need:

Disposable Stethoscopes

Disposable Surgical Gowns

Surgical KN95 Masks

Oral or Temporal Thermometers

Wall Mounted Hand Sanitizers - Holder and Sanitizer Supply

Sanitizer Wipes, Disinfectant Spray

If you are able to fulfill any of the above supplies to Ludeman, e-mail us at ludeman.pflc@gmail.com and we will be happy to pick up or give you instructions to ship your donation. Thank you!

May 1, 2020 Ludeman COVID-19 Status

Ludeman is continuing to test all residents who have not been previously tested for COVID-19. The additional testing is based on recommendations from the infectious disease physician who is consulting with the Divisions of Developmental Disabilities and Mental Health. This will enable Ludeman to continue the best possible precautionary, clinical and medical

programming and supports for the people they serve. Ludeman will notify families of the testing process and results.

We received the following information from the Ludeman Center this evening for the May 1st COVID-19 testing results:

- * Ludeman Residents: 156 tested positive. 99 tested negative. 90 pending results.
- * Ludeman Staff: Unchanged - 68 tested positive.
- * 31 of 38 occupied Ludeman Homes have individuals that have been tested for COVID-19.

Staff Wellness checks are being conducted before reporting to their assignment.
