

## **[Giving Tuesday Now May 5, 2020](#)**

Today is a special Giving Tuesday Campaign - assisting those in need that are impacted by the COVID-19 pandemic. Click on the PFLC Donation Form below to send a donation to help us support the needs at the Ludeman Center. The funds will be used to purchase in-house activities for the residents and PPE (Personal Protective Equipment) for the staff that takes care of our loved ones. You are making an impact on those that care for and depend on our ability to give. Thank you.
